

Course Overview

Agile Project Management is one of the fastest growing professional disciplines in North America. Gain the prestige and professional advantages derived from attaining your Agile Certified Professional (ACP) certification, a globally-recognized and respected credential that shows employers your solid foundation of knowledge from which you can competently practice agile project management.

Training Techniques

Desai's comprehensive and varied approach to training incorporates a number of industry-leading techniques, such as:

- Active class discussion
- Participative learning
- Real-world examples
- Best practice discussions
- Exam strategies, tips and tricks
- Memorization techniques
- Practice exams after each module

Desai offers high-quality instruction built on the industry-leading Velociteach project management and certification training methods and materials. All materials are consistent with the latest PMI PMBOK version 5.0.

Participants will receive:

- 16 classroom hours (2 days) of intensive Agile project management training (21 contact hours)*
- Guidance in the PMI application process
- Numerous practice questions
- Hands-on experience taking structured exams
- Post-training / pre-exam study group
- World-class Velociteach materials
- 6 months' access to the Velociteach exam prep online simulator

*Total contact hours (21) required by PMI in order to take the test.

Why is Desai Your Best Choice for Training?

World-class materials are only effective with proven training techniques. Our experienced and credentialed instructors use an unparalleled level of detail and numerous reference scenarios to ensure participants understand the material and concepts. Our methods include:

- Active class discussions
- Participative learning
- Real-world examples
- Best-practice discussions

- Effective exam strategies, tips and tricks
- Memorization techniques
- Practice tests after each subject module

Study Group

Desai-led ACP study groups are available for participants who wish to continue their exam prep beyond Boot Camp, at no charge. Our study groups offer facilitated discussion and continued learning, including:

- Reinforcement of materials covered
- Shared study habits
- In-person and virtual sessions
- Shared lessons learned
